“Record of Barratrous, Lawless Conduct while Active COUNTERCLAIM left Unanswered By CITY OF SNYDER, Inc. MUNICIPAL COURT Administrators”

First, let us get Perfectly Crystal Clear as to who Lane Lee Bowers is...

“A Living Man of Common Right in Law... NOT a Minor... Being of *Age of the Majority*, Who Congress Wrote into Law on *May 3, 1940*, in “*The I Am an American*” Act is a Sovereign Citizen ~ an American of the Republic, known as *Lane - the Cestui Que Vie, the ONLY Beneficiary, the ONLY Agent, the ONLY Authorized Representative and SOLE Attorney in FACT* of/to/for the *legal artificial 'person'*, ens legis ~ **LANE LEE BOWERS**® a *UNITED STATES Cestui Que Contract TRUST*, created by government to facilitate commercial intercourse with the Realm of the **DEAD CORPORATE** *World in Commerce*, having been Identified by and with an Account Number OWNED and Administered by the *Social Security Administration, Lane Lee Bowers, the Man is the Sole TRUST Protector* of the **LANE LEE BOWERS**® *CESTUI QUE TRUST* a *Sole Proprietorship Business Entity* Recorded on the Books of Record at Nashville, Davidson County Tennessee, *August 12, 2009*, Instrument Number **200908120076009** and uses IRS issued EIN # 27-6*****6 the Appalachian, **'NAME' LANE LEE BOWERS**® is Copyright Protected under Common Law as of September 11, 2024, which Evidencing Instrument may be viewed at <https://TinyURL.com/LaneLeeBowers> with a Limitation on its use in ANY Variation of '*spelling*' without explicit permission from Me, *Lane*, in any instance, carrying with it ANY Unauthorized use FEE of \$100,000.00 per use, per instance, per entity choosing to use My Intellectual Property.

Before the incident that happened with the CITY OF SNYDER, Inc MUNICIPAL COURT there has to be a little back-story given to establish My Standing as a Man and an American, then I will explain the issues of Controversy which began September 11th, 2024, giving rise to the Courts actions that constitute contempt toward the People it serves and Barratrous in nature.

To begin with, You read above in the beginning paragraph the initial statement made of Who I am, where in is stated the following: “NOT a Minor... Being of *Age of the Majority*, Who Congress Wrote into Law on *May 3, 1940*, in “*The I Am an American*” Act is a Sovereign Citizen ~ an American of the Republic”

RECOGNITION OF STANDING AS AN AMERICAN SOVEREIGN:

In alignment with the “*I Am an American Day*” Act, Public Resolution 67 (76th Congress, May 3, 1940), and Proclamation 2680, it is declared that those attaining the age of majority are **American Sovereign Citizens**, vested with full responsibilities and rights within our **Self-Governing Republic**. As a **Living Man** having reached “*the age of the majority*”, as the Preamble to Proclamation 2680 reads, I *Stand Independently and Lawfully* as an **American Sovereign**— *not by grant*, but by the **Inherent Status Recognized and Affirmed** written into Law by Congress and in

Proclamation 2680
“I Am an American Day,”
Public Resolution 67 approved May 3, 1940, (54 Stat. 178)

Initial Complaint to State Commission on Judicial Conduct May 2nd, 2025, then Re-Issued May 16th, 2025

“Record of Barratrous, Lawless Conduct while Active COUNTERCLAIM left Unanswered By CITY OF SNYDER, Inc. MUNICIPAL COURT Administrators”

Concurrence Signed by Presidential, May 3, 1940. Therefore, my lawful standing as an American Sovereign is anchored in the fundamental structure of our American Republic, predating and transcending ANY current administrative presumption to the contrary.

HJR 437 Public Resolution, No. 67 54 STAT 178 May 3, 1940, 54 STAT 178 repealed by Proclamation 2680 of March 12, 1946, by Harry S. Truman renaming this Annually Celebrated commemorative day as “Citizenship Day” however, Self-Governance remains Alive and Well for Sovereign American Citizens as declared by the May 3, 1940, Act.

“I Am An American Day” Celebrated September 17th Annually in commemoration of the Signing of the Declaration of 1776, and since 1940 for the recognition, observance, and commemoration of Every Young American who has attained “the Age of the Majority” which is 21 years.

It is in this Act enacted of Congress, Signed into Law By the President that Identifies EVERY American as a Sovereign Citizen.

Therefore, according to Congress, the President and PUBLISHED Law, a Sovereign Citizen is NOT a Terrorist because they are literally, by Nature and NOW by Law, EVERY Red-Blooded Americans, Expressing Their Right to Self-Governance, nothing more nothing less...

The next point of being Crystal Clear is the FACT that I, Lane Lee Bowers, am the *Cestui Que Vie*, the Living Man, the Beneficiary, the Natural Attorney-in-FACT for the Entity, and yet, I, the Living Man am the Energetic Sustaining Substance of the created trust account referenced further Identified in the statement. The created trust is NOT Me, yet the governmental structure of Society Hoped I'd never Discover the True Nature behind its creation and that's why these words are being conveyed, it's that I know 'as a FACT', NOT a theory - or Fantasy, that created entity is NOT Me, the Living Man and that You are NOT that created entity that has followed You all Your Life either.

Men created government, so logically one would have to wonder, Why is it that government is strongarming the People who are its creator. In other words, how can the thing created have power or force over its creator? It's an impossibility without deception and lies that sound good but yet are spoken to entrap and make slaves of the creator, in other words FRAUD, trickery, Magic spells, legal -assumptions and presumptions which may sound good but are still NOT truth.

As is written in the dictionary, the old ones; 1893 Law Dictionary: **Lawful**: In accordance with the Law of the Land; according to the law; permitted, sanctioned, or justified by law. “Lawful” properly implies a thing conformable to or enjoined by law; and **legal**, a thing in the form or after the manner of law or binding by law. ~ A writ or warrant issuing from any court, under Color of Law, is a **legal** process however defective and **legal**?

So, You see there are two worlds alive and well living next to each other however NOT the same in practical use or administration, nor execution. As I stated the ens legis is NOT Me, but Society will tell You and Me that it is because they have NOT studied, been tricked into believing that artificial person on the driver's license is them when it is NOT.

What I'm saying is there is a distinct not so obvious distinction between the Living Man and the entity which formed the Social Security trust that is administered by the Social Security Administration. The numbered account

Force and Wrong are Greatly Contrary to Peace.

which is the CESTUI QUE TRUST that the general population have been led to believe is not real. When in actuality and truth it's absolutely real and that's the mechanism, using the Living Man, that government has created, operating, the fictitious entity to interact in the realm of commerce. And is the account tied to every bank account, driver's license, insurance policy, marriage license, divorce decree, and along with any court case that comes up. It is the corporate entities who access the funds residing in the trust accounts legally, but not necessarily lawfully. That is due to the fact that every one of those agreements or contracts are unconscionable, because those corporate instrumentalities, institutions, or agencies never disclose every aspect of the ambiguous contract associated with them, whether it's a license, an insurance policy, or a bank account, it's the same lawlessness against the Living People.

The truth is being withheld from the People and how their energy is, in reality, being utilized through that numbered account in the world of commerce. People don't see what's happening, not recognizing truth because they're ignorant of certain facts, that if told, would be a dead giveaway to know about the trickery and deception that's being played on them.

Take for instance the citation I was issued on September 11th 2024 they discovered my Social Security number by looking at previous records 'of the NAME' and the expired driver's license from over 20 years ago, to discover, and know the entities identification that was getting charged, the ens legis, my Principal, not Me, the Living Man and I understood this prior to the court summons, way prior to September 11th. 2024.

Of course, I had been issued a **Numbered Account** by the Social Security Administration, the same as 99.9% of Americans, so that's a given. However, I have learned a few things over the years leading Me in August of 2009 to create a **Sole Proprietorship Entity** ~ giving it the **NAME of LANE LEE BOWERS® CESTUI QUE TRUST** which I gave **NOTICE** of on the Record Books of Davidson County, Nashville, Tennessee and is evidenced by the acceptance of My Presentment to that Custodian of Records by the image herein below.

Now, the last sentence of the opening paragraph of who I am:

Lane Lee Bowers, the Man is the Sole TRUST Protector of the LANE LEE BOWERS® CESTUI QUE TRUST a Sole Proprietorship Business Entity Recorded on the Books of Record at Nashville, Davidson County Tennessee, August 12, 2009, Instrument Number 200908120076009 and uses IRS issued EIN # 27-6**6”**

To My amazement after Recording My TRUST with Davidson County ALL local Peace Officer would simply hand Me My information Documents back and tell Me to have a nice day. I discover later that due to the RECORDATION of My Entity with the County and the entity was a TRUST they didn't want a dispute they couldn't win so they left Me alone. The Trust is a Protection Mechanism in the World of Commerce, and it didn't matter what County the Officer represented they simply left Me to My Self-Governing ways without issue.

The ending of the last sentence of the introduction paragraph tells that the **Sole Proprietorship** has an IRS issued EIN and herein below shown as evidence of the **FACT** and again for *Crystal Clear Clarity*.

Annually traffic law violations are reported as a factor in about 80% of the road traffic accidents in Texas. Approximately 60% of the traffic deaths in Texas occur on our highways. The Enforcement actions taken against you and any subsequent court actions are mandated to ensure compliance with the traffic laws by you and all other users of the highways. Failure to comply with your written notices to appear in the Court as noted on this citation will constitute a separate offense with which you may be charged and result in failure to satisfy a judgment ordering the payment of a fine and cost in the manner ordered by the court may result in the arrest of removal of your driver's license.

"A second or subsequent conviction of an offense under the Texas Motor Vehicle Safety Responsibility Act will result in the suspension of your driver's license and motor vehicle registration unless you file and maintain evidence of financial responsibility with the Department or Public Safety for two (2) years from the date of conviction. The Department may waive the requirements to the evidence of financial responsibility if you file satisfactory evidence with the Department showing that at the time this citation was issued, the vehicle was covered by a motor vehicle liability insurance policy or that you were otherwise exempt from the requirements to provide evidence of financial responsibility."

You may be able to require that this charge be dismissed by successfully completing a driving safety course or motor vehicle operator training course. You will lose the right if, on or before your appearance date, you do not provide the court with notice of your request to take the course.

If you were convicted of an offense and are unable to pay the fine and court costs, you may have the court assess your ability to pay and the court may provide alternatives to full payment in satisfying the judgment.

“Record of Barratrous, Lawless Conduct while Active COUNTERCLAIM left Unanswered By CITY OF SNYDER, Inc. MUNICIPAL COURT Administrators”

SCIRE DEBES CUM QUO CONTRAHIS - *You ought to know with whom you deal*

Be It Known: This writing # **RF 437 152 345 US** establishes a Common Law contract between the **Defender, Lane** and **TRUSTEES** in accord with the Postal Rule, which states the following:

“The postal rule (also known as the mailbox rule or “deposited acceptance rule”) is a term of common law-contracts which determines the timing of acceptance of an offer when mail is contemplated as the medium of acceptance. The general principle is that a contract is formed when acceptance is actually communicated to the offeror. The mailbox rule is an exception to the general principle. The mailbox rule provides that the contract is formed when a properly pre-paid and properly addressed letter of acceptance is posted. One rationale given for the rule is that the offeror nominates the post office as implied agent and thus receipt of the acceptance by the post office is regarded as that of the offeree. The main effect of the mailbox rule is that the risk of acceptance being delivered late or lost in the post is placed upon the offeror. If the offeror is reluctant to accept this risk, he can always require actual receipt before being legally bound.”

This **NCRTS** is a lawful binding contract, establishing agreement of all parties once signed for/accepted/received by them, their agents, employees, and/or mail room personnel and/or any other person of their company, corporation, entity, which, evidences the existence of **A Duty to Perform** under and according to this **NCRTS**.

RE: Snyder Municipal Court Summons: **EXHIBIT A** attached herein:

Greetings **TRUSTEES**,

As you and I know a Municipal Court is **not** a court of record giving the Administrator's free reign to do whatever pleases them within that system, but not today.

Welcome to **My Court**, which **IS** a **Court of Record** open for all to see and be scrutinized by our peers. **My Court** is coming to you and our peers as the ink off these pages into your intellect so that you possibly be cognizant enough to understand fully and explicitly the repercussions of your actions as well as your non action for the betterment, safety and well-being of the community, a Public Trust you serve as Fiduciary to, the **unincorporated** People of Snyder Texas, the Public TRUST, which you are also **TRUSTEES** of per your OFFICES of TRUST.

With every day passing I understand more and more why the Messiah said, ‘... Woe unto you lawyers for you enter not, forbidding those who would, while you live lavishly in your place of honor and opulence, multiplying the burdens of my people with weights and measure that you couldn't bear... Woe unto you lawyers...’

My prayer for you is that judgment is sure and swift for continuing the tradition of your craft.

SCIRE DEBES CUM QUO CONTRAHIS - *You ought to know with whom you deal*

To begin with, the summons for the Principal, LANE BOWERS© to appear is a blatant barratrous act for the continuance of something poised as having some sort of legitimacy yet is more likely for your CORPORATE profit center masquerading as a ‘Court of Law’.

Plus peccat auctor quam actor.

The instigator of a crime is worse than he who perpetrates it. 5 Co. 99

And secondly is a prime example of why government shouldn’t be CORPORATIONS masked as ‘FOR The People’ instrumentalities due to compartmentalization, because the left hand doesn’t know what the right hand is doing.

Citation # **E020937** was already answered by the NOTICE of COUNTERCLAIM of September 27th, 2024, and now here your court is addressing the Principal, LANE BOWERS© with an issue that’s in **FACT** an unanswered **COUNTERCLAIM** with your organization, that SPECIFICALLY has your OFFICE and NAME attached as an **Offender**. A **COUNTERCLAIM** which still remains unanswered by anyone in the **CITY OF SNYDER, Inc.** organization, are you even aware of this FACT?

One schooled in the art and craft of legalese wizardry, you Judge, TRUSTEE, know full well that until the **COUNTERCLAIM** is answered, the Snyder Municipal Court, nor its agents have any need of contacting, summoning, arresting, or any type of communication with the Principal, LANE BOWERS© or any retaliatory action initiated until what’s already been stated is answered with certain specificity. Most certainly when the **COUNTERCLAIM** was put forward because of citation # **E020937** you are NOW attempting to coerce the Principal, LANE BOWERS© to appear for.

By the Snyder Municipal Court, and its agents summoning the Principal, LANE BOWERS© to answer when I, **Lane** have done so by **COUNTERCLAIM**, the Snyder Municipal Court, and its agents are abrogating and putting aside the principles of law that serve, protect and support those with clean hands. Being an agent of the court unashamedly disregarding those principles represents exactly what’s stated before by operating a court of NO Record, apparently the Snyder Municipal Court operates with unbridled impunity, but as I already stated, not today.

Per the: **COUNTERCLAIM**, points **1a.** – **9a.** Access Full Text at ResJudicataClaim.com

These proceedings within this communication are set apart, FULLY Separate having nothing to do with previous writings, i.e., COUNTERCLAIM of September 27th, 2024, nor the interaction with the CITY OF SNYDER, Inc. However, though your action has NOT been considered retaliatory therefore, there will not be a 10X MULTIPLIER added as 3a. of page 4 outlines as the penalty for such behavior would permit by the NOTICE of COUNTERCLAIM contract.

I have been as explicitly, clear spelling out with each word in this Trust Matter as unambiguous as I can possibly be in everything written word of this and other documents that have come to you.

1. Description of Infringement:

Due to **NOTICE** of **COUNTERCLAIM** of September 27th, 2024, the court had opportunity to review all the documents within said **COUNTERCLAIM**, one of which was the *Copyright NOTICE for ANY variation of the NAME: LANE LEE BOWERS.*

It's no fault of myself or My Principal as to whether the court chose to read the **COUNTERCLAIM** to discover the parameters of that contract and everything the **COUNTERCLAIM** detailed unambiguous and clear.

Therefore, the use of the NAME being prohibited in any circumstance, even in the event of summonses of which the use of the NAME was (2) two times, one for each infraction as separate cause of action against My Principal by the court.

Yet, especially in this sort of event is the purpose and reasoning for the necessity of having such Copyright protections in place.
