**RE: Conditional Acceptance and Clarification of Jurisdictional Standing**

Dear SCJC Review Officer,

**This letter** accompanies the re-delivery of *(2) two previous presentments* which the **May 2<sup>nd</sup>, 2025**,  
presentment was improperly returned without lawful basis.

The enclosed document titled "*Conditional Acceptance and Clarification of Jurisdictional Standing*" is  
issued to address the unlawful refusal and dishonor of **My Bonded Presentment** concerning the unlawful acts  
of Barratry and Judicial Misconduct committed by agents of the CITY OF SNYDER, INC. MUNICIPAL  
COURT, namely **JEFFREY JOHN CASWELL** and **ANGELA RENEE BLAIR**.

As stated in the accompanying communication, My **Original** presentment did not relate to the **September 27,**  
**2024, COUNTERCLAIM**, but to their unauthorized administrative acts following a citation on **September**  
**11, 2024**. Their continued prosecution in silence, without rebuttal to a properly bonded claim, constitutes an  
egregious breach of judicial ethics and due process.

I hereby return this lawful bonded presentment into the public record with the reasonable expectation of proper  
review and response in accordance with your fiduciary duty to the People of Texas. No waiver of rights or  
jurisdiction is granted.

Failure to acknowledge and review this properly bonded instrument shall be deemed a knowing breach of  
fiduciary duty and public trust.

RE: Return of Bonded Private Presentment Regarding Barratry by CITY OF SNYDER, Inc.  
MUNICIPAL COURT Officers

I, the *Living Man* known as Lane Lee Bowers@, do hereby conditionally accept the return of My bonded private presentment mailed to your office on May 2, 2025, under Certificate of Mailing then Re-Presented under Certified Mail # **9589 0710 5270 2118 2055 41** May 16, 2025, upon production of documented proof that your Commission possesses lawful authority to reject or disregard My administrative correspondence, absent rebuttal to the sworn affidavit and exhibits provided therein.

For the record, this communication was **NOT** a presentment concerning the perfected **September 27, 2024**, *Private Administrative* COUNTERCLAIM — though the parties named herein also are subjects of that specific grievance with My local government. Rather, My presentment to the SCJC pertained to the conduct of **JEFFREY JOHN CASWELL** and **ANGELA RENEE BLAIR**, in their respective roles within the CORPORATE Structure of the CITY OF SNYDER, Inc., MUNICIPAL COURT, specifically regarding:

- Their **Willful Barratry** in prosecuting a commercial citation issued on **September 11, 2024**,
- Their **Deliberate Failure** to respond to a *proper lawful presentment* of COUNTERCLAIM offered in response to that citation,
- Their **Unauthorized Continuation** of prosecution while in *default*, **acting Without Lawful Authority** or *Rebuttal* to said COUNTERCLAIM.

*That Presentment* was a *Lawful NOTICE* of **fiduciary breach** and **professional misconduct** — **NOT** a "*complaint*" to be confined within your Commission's 25-page limitation, and certainly **NOT** subject to **Arbitrary Rejection Absent Full Rebuttal** or *Sworn Denial*.

Therefore, I require the following to proceed honorably:

- A. **Identification** of the *statute, law, or rule* that **Grants Your Agency Authority** to *reject or disregard Bonded Private NOTICES* executed under commercial liability.
- B. **Clarification** of your jurisdiction over *Private Affidavit Processes* involving judicial misconduct or **BARRATRY** by *public court officers* **Operating Under Color of Law**.

## Conditional Acceptance, Clarification of Jurisdictional Standing

- C. A **Written and Signed Declaration** by a Living Agent of the SCJC explaining your lawful basis for **Returning My Presentment** without *rebutting its claims* or *reviewing the attached evidence*.

Failure to produce the above within ten (10) days **SHALL** be deemed a *tacit admission* and *further dishonor*, *triggering full liability* and *possible commercial enforcement* under **Private Administrative Remedy**. Please be advised:

- **I DO NOT WAIVE** My rights.
- **I DO NOT CONSENT** to your agency redefining My sworn "Notarized" Affidavit as a "complaint" subject to internal *page limitations*, *forms*, or *bureaucratic filters*.
- **Silence** or **Failure** to respond in honor will be noted for future *presentments* and *corrective actions*.

This correspondence is made and tendered *in honor, truth, and good faith*, with **My FULL Reservation of Rights**, without prejudice. Your **prompt** and **transparent acknowledgment** is required and expected to stay in honor to this *Lawful Communication*.

Sincerely and Honorably, Without Recourse,

Re: Letter Received May 14, 2025

Dear Mr. Bowers:

The State Commission on Judicial Conduct received your documents May 14, 2025. The State Commission on Judicial Conduct's authority is limited to the investigations of allegations of judicial misconduct raised against Texas judges. Enclosed is a complaint form in case you wish to file a complaint on a Texas judge.

We appreciate your concerns, and we are grateful for your interest in assisting us in maintaining the high ethical standards of the Texas Judiciary.

## Response to State Commission on Judicial Conduct Dishonor

The remaining pages are the documents that were *returned to Me Dishonored* in that I was supposed to complete their form to lodge a complaint and that what I presented was to be **NO MORE THAN 25 pages** of **Evidence** or **Testimony about a judge for misconduct**.

How can one possibly make attestation to **FACTS of Misconduct**, much less **Barratry** within a SET Parameter, and **WHY** would a commission who is supposed to keep the **judicial personnel within the LAW** if the commission is **rejecting FULL BLOWN Chronological Specific FACT Based Testimony** for review of such personnel if the State Commission on Conduct is **REJECTING** this type of *Verifiable, FACT based Evidences* of such egregious MISCONDUCT. To say the least this type of bureaucratic systematic shuffling of responsibility or boundary on attestation to FACT is Ludicrous, no wonder the general population have NO Faith or confidence in government and government-controlled systems of reprimand and redress for grievances.

explicit permission from Me, Lane, in any instance, carrying with it ANY Unauthorized use FEE of \$100,000.00 per use, per instance, per entity choosing to use My Intellectual Property.

## Preamble

Whereas it is self-evident that all Men are created equal, endowed by Jehovah the Creator of the all-in-all with unalienable Rights, among these Life, Liberty, and Property, I, Lane, am a Living Sentient Man, do hereby assert My Lawful Rights, standing and Capacity as a Sovereign American, not a subject, nor a thing, and certainly NOT PROPERTY as giving another entity fealty or involuntary servitude, compelled contracts, nor any presumed authority beyond My freely given consent.

## Article I – Lane’s Lawful Right of Self-Sovereignty, Self-Governance/Autonomy

1. As My Rightful Birthright dictates, I am the ONLY, Sole and Rightful Authority over My Life, My Affairs, My Body, My Mind, My Private Property and My Private Business.
2. In NO instance DO I ever consent to any presumption, implication, or construct that attempts to diminish, override, sabotage or convert My unalienable Rights into privileges granted, dispensed or revoked by a State, an agency, or any artificial *legal* construct or instrumentality of control.
3. As affirmed in Chisholm v. Georgia, 2 U.S. 419 (1793), “Sovereignty resides in the People.” I, Lane am one of the People, one of the Posterity referenced in the Preamble of the Constitution for the united States of America and I retain that Sovereignty *Lawfully* as My American Birthright, with Explicit Prejudice.

## Article II – Lane’s Lawful Right to Contractual Integrity in Agreements and Consent

1. I affirm that all contracts must be entered into voluntarily, explicitly with full disclosure, with beneficial equitable mutual consideration, and mutual assent, consent and agreement (U.S. v. Lee, 106 U.S. 196).
2. No lawful authority exists which may force, coerce or compel Me to contract, make agreement with another, or benefit without My knowing and willing consent, especially if such contract is against My better judgment, interests or without equal consideration.
3. I, Lane, DEMAND the STATE to honor My Right to Privacy as I rescind all previous licenses compelling ambiguous performance, privilege or obligation specifically expired driver’s license #00513230 and DEMAND its removal from ALL STATES Systems along with ANY ‘person’ ens legis attached thereto resembling My COPYRIGHT protected Intellectual Property “LANE LEE BOWERS@”.
4. ANY license, registration, or *legal* obligation presumed binding without My consent is null and void, ab initio.

## Article III – Lane’s Right to Private Property is Sacred

1. My PRIVATE Property is an extension of Myself. What I acquire due to My own personal energy and labor, PRIVATE Property which I own absolute, held in allodial title, not by privilege but by Natural Right.

# Response to State Commission on Judicial Conduct Dishonor Declaration of Self-Governance, Autonomy, and Self-Sovereignty Private Property Rights, Limits to governmental Interference in My Life.

2. I, *Lane*, forbid, disallow registration of My PRIVATE Property with any state or federal agency as I am NOT Willing to transfer My ownership or dominion of such PRIVATE Property that My labor afforded Me.
3. As the U.S. Supreme Court stated in *U.S. v. Lynah*, 188 U.S. 445 (1903), any taking of PRIVATE Property without just compensation is unconstitutional and unlawful.

## Article IV – Unambiguous Distinction Between *Lane* and the Artificial ‘person’ *ens legis*

1. I am not a corporation, trust, estate, *ens legis*, or other styled artificial ‘person’ created by statute. I am a Living Sentient Man, a Live being, born with FULL Capacity of Self-Autonomy, Self-Governance, alive as being a Self-Sovereign Living Sentient Man.
2. Any attempt to merge, pirate or confuse the identity of this Living Sentient Man with a *legal* fiction (e.g., JOHN DOE or similar all-capital letter designations) is deception and an act of BARRATRY and Constructive FRAUD.
3. I retain ALL of My Lawful Rights to *speak, act, and contract ONLY* as I deem beneficial and *ONLY* in My PRIVATE Capacity, and at all times retain My Lawful Right to reject the same for cause at My Own discretion and I will exercise My Lawful Right to reject any presumed liability that attaches to an entity not of My creation.

## Article V – *Lane’s Lawful Right to Limit Governmental Authority*

1. The Constitution for the united States ordained by the Sovereign People of the original 13 united colonies of America purposely established to limit the *powers* of government, to *Serve* and *Protect* the Rights of the People, and *ONLY with authority* given by and under the authority by the People’s consent.
2. As the First Article of the Bill of Rights states, “*Congress shall make no law*” abridging the Rights of the People, and as such, any rule, regulation, code, or statute that infringes upon My Rights without My consent or Due Process is repugnant to the Constitution and void (*Marbury v. Madison*, 5 U.S. 137 (1803)).
3. I, *Lane*, *ONLY* recognize government as trustees, fiduciaries with duties as servant to Myself and all other Sovereign American People, *NOT MASTER*. Government exists *ONLY* by the consent of the governed — and I *DO NOT* consent to the expansion of authority beyond that which I have granted knowingly, willingly and voluntarily, nor beyond the bounds explicitly established by the Constitution and Bill of Rights.

## Article VI – MAXIMS of Law ~ *Lane’s Lawful Shield*

I, *Lane*, stand upon the following established MAXIMS of Law:

- He who exercises his rights harms no one.
- A law that is unjust is no law at all.
- What is mine cannot be taken from me without my consent.
- Where there is a right, there is a remedy.
- Law does not compel the impossible.
- Contracts made under duress are not binding.

# Response to State Commission on Judicial Conduct Dishonor Declaration of Self-Governance, Autonomy, and Self-Sovereignty Private Property Rights, Limits to governmental Interference in My Life.

- The government must follow the Law just as the citizen must.
- The use of coercion invalidates consent.

That:

1. I, the undersigned, a Living Sentient Man of sound mind and rightful standing, NOT a belligerent, hereby provide lawful and PUBLIC NOTICE of My Declaration of Self-Autonomy, Self-Governance and Self-Sovereignty, PRIVATE Property Rights, and Limitation of government authority.
2. I am not subject to the authority, jurisdiction, or *legal* presumptions of any corporate or municipal entity unless I have knowingly and voluntarily entered into a lawful unambiguous agreement with such, with fully disclosed attributes along with equitable mutual lawful consideration.
3. I the Living Sentient Man am not a *legal* fiction, artificial 'person' or a construct of the STATE or any incorporated body politic. I prohibit the use of any all-capitalized name or derivative that suggests such a *legal* fiction, artificial 'person' construct represents or applies to Me the Living Sentient Man.
4. I reject any presumption that I have waived My Rights through silence, failure to register, license, or comply with any administrative codes or military style tribunal of implied or forced compliance.
5. Any attempt to enforce regulatory compliance without Due Process of Law, a valid sworn declaration of a harmed or injured living party, and lawful jurisdiction, an Ex parte hearing without My presence, shall be deemed a trespass upon unalienable Constitutional Secure and Guaranteed Rights and a violation of my rightful lawful protections and will be open to habeas corpus applicability of restriction of My Right and forbidden.
6. Let this be known: I stand in peace, in honor, and fully within My Lawful Rights, with this Declaration now in enforceable lawful effect and lawfully binding as NOTICE upon all named and unnamed parties, as the doctrine of agency is in effect as NOTICE to one party is NOTICE to all parties of such corporation, instrumentality, organization, agency, political subdivision, bureau and/or body politic.

## Conclusion

Let it be known that I, the undersigned, do stand in honor, peace, and full awareness of my status and rights. I reject all presumed obligations, not freely and lawfully entered only after having been FULLY informed. I claim dominion over My PRIVATE Property, Person, and Labor. I do not seek permission to live freely—I declare it, as a Lawful Birthright Right and by the Law of this Land.
